STEAM

Enabling youth workers to improve their training programmes by introducing IP rights in their STEAM learning approaches

ImProveSTEAM Competence Badges

CERTIFICATE
Name Here

received a Badge on the module *Patent*

This Badge is awarded to participants successfully completing the Patent Module of the Intellectual Property Training developed in the context of the Erasmus+ project ImProveSTEAM. This training introduced participants to the concept of Intellectual Property and its types, focusing on the registration and protection of Patents, as these are defined by the European Union, and the European Intellectual Property Office (EUIPO). The participants had the opportunity to:

- Understand what a Patent is;
- Comprehend the process to register a Patent at a European level.
