## THE SERIOUS GAME

This serious game helps young people and youth workers recognise the importance of Intellectual Property concepts. The game and its accompanying skills verification scheme can be utilised to raise awareness of concepts such as Copyrights and Trademarks, and, through them, bolster youth engagement in STEAM careers and entrepreneurship.

## CHOOSE YOUR CHARACTER

Each player has the choice to select one character to play the Serious Game. You can enable multiplier by selecting all the 4 characters so as to enjoy it with your company and work together to reach the prize. Be careful on the extra skills that each player has.
